

Unclaimed Capital Credits

Your Board of Directors authorized the return of over \$750,000 in capital credits to members who purchased electricity during the 1970's, 1994, and 2012.

Agralite is trying to return Capital Credits to former members who are no longer at their last address on file with us. If you know someone who is on this list, please take a moment to let them know or to let us know. Past members listed may claim their capital credit refund by contacting our office at 320-843-4150. Capital Credits belong to our members and we hope we can return the credits to their owners!

Unsure what to do with capital credit checks received from us or don't want to hassle with them? Donating those funds to Operation Round Up is always an option, where you can help the community that you live in.
